PLACEMENT OF SHORTFALL SHARES

Lodestar Minerals Limited advises that it has placed the remaining balance of 3,368,716 shares arising from shortfall from the recent entitlements issue to raise \$117,905.

The entitlement offer and the recent placement have raised \$3,700,000 before costs, which sees the Company well placed financially to carry out ongoing exploration in 2013 over its highly prospective Peak-Hill/Doolgunna prospects.

The shares were placed pursuant to Listing Rule 7.2 of the ASX Listing Rules.
