## CORRECTION OF ANNOUNCEMENT DRILLING AND SAMPLING PROGRAMME TO COMMENCE AT CAMEL HILLS GOLD TARGET

Lodestar Minerals Limited attaches a re-release of an announcement made to the ASX earlier today.

The re-released announcement corrects a typographical error in the last sentence of the penultimate paragraph on page 1 in reference to the timeframe for the drilling and sampling programme. The earlier announcement incorrectly stated a timeframe of six months instead of six weeks.

It is anticipated that the drilling and sampling programme will be completed within the next four to six weeks.
